Letter From The President

Old Westham Civic Association
February 2023

Dear Neighbors,

We hope everyone is having a wonderful start to 2023. Below is a listing of our board leadership, a recap of all that was accomplished in 2022, and a few updates for 2023.

2023 Old Westham Civic Association Board.

President – Brent Hunt
Past President – Lauren Hunt
Secretary - Kirk Vogel
Treasurer – Michael Larkum
Membership – Sarah Johnson
Beautification – Carlton Hines
Events – Felicia Hubbard
Block Captains – Christy Holsten

Annual Meeting. Thanks to everyone who attended the Annual Meeting and Fall Party in October. We had a great turnout and it was good to meet new neighbors and catch up with old friends. We were pleased to welcome new board members Brent Hunt, Sarah Johnson and at the meeting. Special thanks to former board members Terri Crawford and Todd Loving for all of their hard work last year.

Beautification. In 2022, the OWCA was able to contribute to and complete beautification projects throughout the neighborhood in conjunction with the Westham Garden Club and Henrico County. Particular attention was paid this year the Westham Parkway median and the median on Glen Parkway (with the help of a few goats).

Social Events. We look forward to including more opportunities to gather as a neighborhood this year. We will hold our annual Spring Party (date TBD). As always, this event will be for families. Stay tuned for an invitation and additional details.

Website and Directory. We hope everyone is enjoying the redesigned website and online directory. Should you need to make changes to your directory contact information, please send the Board an email describing the changes to be made. Email: oldwesthamboard@gmail.com

We look forward to serving as your Board this year.

Sincerely,

OWCA Board of Directors
